

Eating Disorder PT/FT Psychologist Position

- 2 Positions Available
- Central Coast or Newcastle Locations
- Permanent Part-time or Full-time Hours

About Us

At Myrtle Oak Clinic we pride ourselves on our multidisciplinary team approach to the delivery of services for people living with eating disorders. We are the only multidisciplinary private practice on the Central Coast and Newcastle areas to excel in the treatment of eating disorders. We offer our clients access to psychological and dietitian services that complement their general practitioners/psychiatrists/paediatricians health care services. We are a small multidisciplinary team who enjoy working in a supportive environment that places our clients in the centre of all care. With two clinics locations set minutes away from the glorious coastline off the Central Coast and Newcastle, it is a prime location for achieving the ideal work – life balance.

Myrtle Oak Clinic values the approach of:

- Client centred compassionate care
- Non-Diet & Health At Every Size, whole body inclusive practice
- Family / carer involvement where appropriate
- Holding hope for recovery always
- Remain approachable and accessible
- Collaborative care coordination

We are looking for a Registered/Clinical Psychologist with a genuine interest in providing support, assessments and delivering evidence-based psychological therapies to our clients living with an eating disorder. Services are tailored to people of all ages and genders, across the continuum, from those at risk of developing an eating disorder through those living with a chronic eating disorder.

The Opportunity:

We have two positions available: your new role may be either full or part time at our Wallsend or Tuggerah clinics. You will enjoy working with a mix of clients from adolescents/adult general mental health and eating disorder clients within our supportive and professional multidisciplinary team. In this role, you must have the ability to engage and maintain effective therapeutic relationships with a diverse range of people and their families/carers.

This is an employed position that includes:

- An attractive remuneration based on experience
- Superannuation in addition to hourly wage
- Financial support for CPD and Supervision

- Supervision provided in-house by experienced Clinical Psychologists along with multidisciplinary team support
- Training and support specific to eating disorder treatment and service delivery
- Option to work at one or two of our locations
- Professional and highly trained administrative support staff, relaxed environment and comfortable consulting rooms
- Personable and small team culture
- Electronic patient software and calendar management systems
- Resources, tools, work laptop, templates provided
- A strong referral network

We are seeking someone who:

- Holds full registration as a Psychologist with AHPRA along with Medicare provider eligibility
- Is professional and maintains a highly ethical approach
- The desire to thrive in the eating disorder field with the support of a wonderful team who promote ongoing training to foster skills and career development.
- Experience/knowledge of or willingness to be trained in eating disorder evidence-based treatments including: Cognitive Behavioural Therapy for Eating Disorders, Maudsley Family Based Therapy and weight inclusive care.
- Excellent written and verbal communication skills.
- Ability to work independently and as part of a collaborative multi-disciplinary team.
- Is willing to hold required Insurances, Working with Children Check (WWCC), National Police Check clearance. driver's Licence and full covid 19 vaccination status

Clinic Locations:

Have you considered a coastal escape, a tree change and still be close to a big city? Newcastle and Central Coast areas boast gorgeous coastal beaches, café's and bushlands perfect for those who love the outdoors and a relaxed social vibe. If this sounds like you, come join our team!
